

Labbaik Arabia

Premier Heavy Engineering Equipment Solutions

Company Profile

Labbaik Arabia has been serving the Kingdom of Saudi Arabia for 18 years, providing exceptional heavy engineering equipment solutions and maintenance services. Our commitment to quality and reliability has made us a trusted partner for major industrial and construction projects across the country.

Mission & Vision

Our Mission

To provide world-class heavy engineering equipment solutions and maintenance services that ensure operational excellence, minimize downtime, and maximize productivity for our clients across Saudi Arabia.

Our Vision

To be the leading provider of heavy engineering equipment solutions in the Middle East, recognized for our reliability, innovation, and commitment to customer success.

Our History

Labbaik Arabia has grown from a small equipment maintenance company to a leading provider of comprehensive heavy engineering solutions. Over the years, we have expanded our fleet, enhanced our technical capabilities, and built lasting relationships with major industrial and construction companies throughout the Kingdom.

Our Values

We are committed to excellence, integrity, and customer satisfaction. Our values guide everything we do, from equipment maintenance to customer service.

Our Services

- Comprehensive Equipment Maintenance: Full maintenance, repair, and overhaul (MRO) services for heavy engineering assets
- Equipment Rental: Flexible and reliable rental solutions for critical engineering equipment
- Hydraulic Systems Maintenance: Maintenance and repair of hydraulic systems for heavy equipment
- Engine Maintenance: Maintenance and repair services for diesel and gasoline engines
- Equipment Parts Maintenance: Comprehensive maintenance of all heavy equipment parts
- 24/7 Support: Our team is available around the clock to provide emergency support

Our Team

Our team consists of highly skilled and certified technicians, engineers, and support staff who are dedicated to delivering exceptional service. With extensive experience in heavy equipment maintenance and operations, our team ensures that every project is completed to the highest standards.

Our Trusted Partners

Caterpillar

Caterpillar Inc. is a world leader in manufacturing construction and mining equipment, diesel and natural gas engines, industrial gas turbines, and diesel-electric locomotives. We provide comprehensive support for all Caterpillar equipment.

Hyundai

Hyundai Construction Equipment is a global leader in construction machinery, known for innovation, reliability, and advanced technology. We offer full maintenance and rental services for Hyundai excavators, wheel loaders, and other equipment.

Doosan

Doosan Infracore is a leading manufacturer of construction equipment, engines, and industrial vehicles. We specialize in maintaining and servicing Doosan excavators, wheel loaders, and compact equipment across Saudi Arabia.

Volvo

Volvo Construction Equipment is renowned for its durable and efficient construction machinery. We provide expert maintenance, repair, and rental services for Volvo excavators, wheel loaders, articulated haulers, and other Volvo equipment.

Certifications & Standards

Labbaik Arabia maintains the highest industry standards and certifications. We are committed to safety, quality, and environmental responsibility in all our operations.
